EDUCATIONAL QUALIFICATIONS

Techno International Newtown , B. Tech in Computer Science Engineering, MAKAUT, WB	2019-23
CGPA: 9.18 (8 semesters average)	
Hem Sheela Model School(CBSE) , PCM + Computer Science Class 12	2019
Percentage: 84.3	
Hem Sheela Model School(CBSE) , Class 10	2017
CGPA: 9.8 (Percentage: 93)	

SKILLS

Languages:	Core Java, C, HTML, CSS
Skills:	DSA, OOPS concept, RDBMS, Cloud Computing, Spring
Operating systems:	Windows, Linux
Soft Skills:	Time Management, Teamwork, Communication, Problem Solving, Leadership

PROJECTS

Hospital Management System Core Java, Servlet, MySQL (Major project)

- A multi-paged hospital management website.
- There are mainly three entities, the Admin, Doctor and User
- Frontend: HTML, CSS, Bootstrap
Backend: Java Servlet, JDBC
Database: MySQL
Server: Apache Tomcat server

Comparative analysis of 3 BERT models on Sentiment Analysis of Twitter data (Major project)

- This project analyses the accuracy of three BERT models used for analysing the sentiment of Twitter data.
- The project aims to find the best BERT model for Twitter Sentiment Analysis

Career Dendrogram Python, MySQL, HTML, CSS

- A web application to help users predict their future careers.
- Created a psychometric test for the users to get information.
- Using ML, implemented a back-propagation algorithm to train the machine.

Educational Website Clone HTML, CSS

- Created a multi-paged website using HTML, CSS.
- The website consists of various pages like Login page, Contact Us, About Us, etc.

CERTIFICATES AND ACHIEVEMENTS

Paper published and received a certificate from IEEE for our presentation of the paper "Comparative Analysis of BERT Models for Sentiment Analysis on Twitter Data".

Authors of the paper: Ritaban Chanda, Arghya Sahoo, Nabanita Das, Bikash Sadhukan
